

Acnevir Gel Drug Facts (108-8RC, 1214)

Drug Facts	
Active ingredients	Purpose
Resorcinol 2x	Acne treatment
Salicylic Acid 3x	Acne treatment
Sulphur 1x.....	Acne treatment
Uses For the treatment of acne, redness and other eruptions of the skin.	
Warnings	
For external use only	
Do not use on ■ broken skin ■ large areas of the skin.	
When using this product ■ avoid contact with the eyes. Rinse right away with water if it gets in eyes. ■ apply only to areas with acne ■ skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, use only one topical acne medication at a time.	
Stop use and ask a doctor if ■ skin irritation occurs or gets worse.	
Keep out of reach of children. If swallowed, get medical help or contact a poison control center right away.	
Directions ■ Read all package directions and warnings before use. ■ Use only as directed. ■ Clean skin thoroughly before applying this product. ■ Cover the entire affected area with a thin layer of Acnevir Gel one to three times daily. ■ Massage gently until absorbed into the skin. ■ Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor ■ If bothersome dryness or peeling occurs, reduce application to once a day or every other day ■ Intended for use by normally healthy individuals only. ■ Persons under 18 years of age or those with sensitive or allergic skin should consult a doctor prior to use. ■ <i>Sensitivity Test for a New User.</i> Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated above.
